

Welcome to ISLK International School of Lund in Lund's Municipality.

To be able to send for your child's health records from their previous school or health clinic, BVC, we ask you to fill in the information below. The record contains all information about immunizations, vision and hearing checks and possible measures taken by the school health care/BVC. This information is confidential, which means that only the school nurse and school physician have access to the journal.

Has your child attended Swedish BVC or Swedish school? Yes  No
