MYP Admission Policy for international schools to the IB Diploma Programme at Katedralskolan Lund from the autumn term 2023

In order to transfer from MYP5 to DP1, the following requirements have to be met. Application deadline is 15 February. Places in DP1 are limited and if needed, there will be a selection based on grades.

- A passing grade on the Personal Project.
- The grade is 5 or more in each of the three chosen HL subjects.
- Mathematics HL requires grade level 7. Students who have had Extended Math in MYP5 need at least grade level 5.
- The grade is 4 or more in each of the three chosen SL subjects.
- The grade is 3 or more in all other subjects.
- In order to study Physics HL or SL you have to study Mathematics Analysis and Approaches SL or HL.
- Non-Regular Diploma and/or a 7th subject are not recommended. For permission, please contact the DP principal or the DP coordinator.
- If the above subject requirements are not met in June, the student does not have sufficient knowledge to start in DP1 and PDP is recommended.
