VISIT LUND
LUNDS KOMMUN

KULTURNATTEN IN ENGLISH

AAGARDHSGATAN 5

15.00–22.00
Bird Photography Exhibition: What Birds Think and Say
A cross-generational collaboration where photographs and text meet in a humorous way. Sussa Stubbergaard has selected her own bird photographs, and eleven-year-old Adrian Hennessey has written speech and thought bubbles for them.

AKADEMIBOKHANDELN
Stortorget 2

10.00–19.00
Akademibokhandeln Gleerups 200 Years!
In 1826, C.W.K. Gleerup from Denmark laid the foundation for the Gleerups University Bookstore. During Culture Night, this milestone is celebrated with a grand 200-year anniversary event throughout the day. Activities for both children and adults, author talks, book signings and special discounts. Information. akademibokhandeln.se/butik/lund-c

ALLHELGONAKYRKAN
Allhelgona kyrkogata 1

10.30–11.25
Quantz, Bayreuth, Dittersdorf & 300 Years of Charles Burney
Gabriele Katthän from LIMUS Music School has explored the diaries of Charles Burney, in which he describes the musical environments of the eighteenth century. Teachers from the music school perform works by Quantz, Wilhelmine von Bayreuth and Dittersdorf. Organized by Föreningen Mozarts Vänner and LIMUS Musikskola.

12.00–13.00
Guided Tour of Lund's Allhelgonakyrka
A guide takes visitors on a tour of Lund's Allhelgonakyrka and shares the history of the church, past and present.

13.00–13.45
Audio-Described Tour: Patterns
During this tour, you will hear about and explore many of the patterns found in the church's ceilings, floors and windows. Gather at 12.45 for distribution of technical equipment. Pre-registration is recommended.

13.30–15.30
Culture Night Fun for Children
Activities for children aged 5–12 accompanied by an adult. Crafts, a bouncy castle, face painting and more. In the park surrounding the church.

14.30–15.30
Helgo Zettervall Walk. One City, Two Churches and Three Towers
Join a leisurely walk down Allhelgonabacken through Lundagård, passing several buildings and institutions designed by Zettervall, with a focus on church architecture. Starts at Allhelgonakyrkan and ends at Lund Cathedral.

16.00–16.45
Concert. Brass Benders
Enjoy popular cover songs performed by Brass Benders. Sing along if you like.

18.30–19.20
Concert. Carolinae Röster – Sometimes Life Opened Its Eyes
Featuring movements from Sven-David Sandström's Sanctus – Agnus Dei, including one setting of a text by Tomas Tranströmer. Also music by Henrik Dahlgren, Ulf Långbacka and Tomas Takolander.

20.00–22.00
Open Stage
The stage is yours. Sing, dance, tell a joke or share any performance. No registration required. Alcohol- and drug-free event.

ALTONA
Stora Gråbrödersgatan 12–14

19.00–00.00
ArchFilm Under the Stars
Film, music and celebration under the open sky in the Altona parking area, where sofas have replaced cars. Stina med Stjärnorna performs, and her puppet films Scenes from a Puppet Marriage are shown alongside Mur-mummel (Agnès Varda), a cinematic journey through 1980s Los Angeles murals.

ASTRONOMIHUSET
Sölvegatan 27

21.00–23.30
Stargazing at Lund Observatory
Astronomers and astronomy students welcome visitors to the observatory atop Astronomihuset. Space is limited, and advance registration is required. Sessions begin at 21.00, 21.30, 22.00, 22.30, 23.00 and 23.30. The event will be cancelled in case of cloudy weather or rain. Registration opens on 15 September at 12.00. Mainly conducted in English.

ATELJÉ LEANDER PIHL
Magle Lilla Kyrkogata 2B

17.00–22.00
Everlasting Moments Came to Lund – Photography by Nille Leander
Nille Leander presents photographs from the filming of Jan Troell's Everlasting Moments, partly filmed in Lund in 2007. Artist Tom Pihl displays selected sculptures from the art project Cogwheel of Existence. Composer Nils Erikson performs original piano works during the evening.

ATELJÉ RÅBYGÅRD
Stora Råby Byaväg 28

DOMKYRKOFORUM
Domkyrkoplatsen

10.00–22.00
Art Exhibition on The Wall
Photography exhibition featuring works by Claes Jonsson.
Café Opening Hours 10.30–21.45
For additional information, see Lund Cathedral's official calendar.

DREJERIET
Magle lilla kyrkogata 2B

16.00–20.00
Open House
During Culture Night, visitors are welcome to explore the pottery studio, whether experienced with clay or completely new to ceramics. Watch wheel throwing and other ceramic techniques up close, meet ceramic artists and instructors, and discover the studio's inviting spaces.

EKONOMIHÖGSKOLAN
Tycho Brahes väg 1

15.00–19.00
Crisis, Disaster and Chaos – Culture Night at the School of Economics and Management
Meet researchers who help us understand today's world and tomorrow's challenges. An Uncertain World – Putin, Trump and Our Economy. Maria Persson, Associate Professor of Economics

How do geopolitical uncertainty, war and trade policy affect the Swedish economy?

Sweden's Population Crisis

Åsa Hansson and Martin Nordin, Associate Professors of Economics

What happens when fewer people must support an increasing population? How are welfare systems, the labour market and Sweden's future affected

When Companies Face Crisis

Susanne Arvidsson, Associate Professor of Business Administration

How do organisations respond when trust is damaged, and how do they recover after crises and scandals?

Is Sweden Prepared?

Closing panel discussion with the day's speakers on how well prepared society is for future crises.

ERIKSHJÄLPEN
Stora Södergatan 25

18.00–19.00
Turn-of-the-Century Fashion – When the 1900s Were Young
Erikshjälpen's creative team member Kristina Blomqvist presents historical fashion and shares inspiration for sustainable reuse and second-hand living.
The shop remains open from 11.00–21.00.

ESS
Partikelgatan 2

10.00–16.00
Guided Tour of ESS
Explore the fascinating world of neutrons and discover how ESS will contribute to future scientific research. The visit includes:
A bus tour around the facility. A guided visit to one of the instrument halls. Insights into future groundbreaking research. Tours last approximately one hour and are offered continuously throughout the day in both Swedish and English. Advance registration is required through the Culture Night calendar.

FOLKETS HUS
Kiliansgatan 13

18.30–00.10
Latin American Dance Evening
Presented by Kulturföreningen Cubasalsa.

18.30 – Dance performance by New York Dance.

19.00 – Introductory salsa lesson with Salsa Sabrosa Dance School.

19.30 – Argentine tango lesson with Tangokompaniet.

20.00 – Bachata workshop with Salsa Sabrosa Dance School.

20.30 – Dance with Havana de Vuelta.

21.00 – Cuban dance animation.

21.30–00.00 – Social dancing with DJ Cubasalsa from Cuba, featuring Cuban salsa, timba, bachata, kizomba and more.

FOLKUNIVERSITETET
Skomakaregatan 8

Education, culture and community come together through live music, art exhibitions, textile and photography displays. The gate opens at 15.45. Food is served by Mama Acena Tasty, featuring flavors from Tanzania.

On Stage

16.00 – Röda Kapellet
Political scientists Anders Sannerstedt and Malena Rosén Sundström discuss the election results between musical performances under the theme "Why Did It Turn Out This Way?"

17.15 – Lund Big Band
Classic big-band music.

18.15 – Spontankören
A choir performing a wide range of music for joy, health and fellowship.

19.00 – The Nykels Musikkollektiv
Live performance.

19.45 – Skakande Projektet
Atmospheric alternative rock from Nybro.

20.45 – Siberian Spring
Melodic indie rock with poetic lyrics.

21.30 – The Brave Escape
Danceable rock with uplifting choruses and progressive influences.

In the Building
Art exhibitions by the painting circles Stäppvargarna, Måla Mera and Vattenmålarna, photography by Johan Jensen, and works by participants from several painting courses.

16.30–19.00
Modern Latin Vocabulary
Following studies at the National Library in Rome, Latin instructor Andreas Dahlgren explores modern Latin words for concepts and objects that did not exist in Cicero's time. Room 15.

17.00–19.00
Historical Costumes with Dance Group Cadenza
See historical costumes created by the group during the semester. Room 14.

FORUM MEDICUM
Sölvegatan 19

13.30–14.15
The Physics of Opera Johan Mauritsson and Hedvig Jalhed
An opera singer and a physicist

explore the mysteries of the human voice. What symbolism and function does the voice have in opera, and how can the 2023 Nobel Prize in Physics be demonstrated through sound?

FRIMURAREFÖRENINGEN EOS
Krafts torg 10

12.00–17.00
Open House at EOS
The Freemasons' Association EOS was founded in Lund in 1866 and has occupied its current premises at Krafts torg since 1912. The order is not a secret society, but rather a society with secrets. Visitors will have the opportunity to see some of the normally closed rooms and attend short lectures.

Lectures
13.30, 14.15, 15.00 and 15.45

FYSISKA INSTITUTIONEN
Sölvegatan 14

11.00–01.30
Physics & Laser Show
A spectacular world-famous performance featuring exciting experiments and an impressive laser show. Led by Johan Zetterberg and physics students, the show has been seen by more than half a million people worldwide.

Show Schedule:

11.00–11.35 For children ages 4 and up.

12.00–12.45 For children ages 5 and up.

13.30–14.20 & 15.00–15.50 For children ages 6 and up.

16.30–17.30 & 18.00–19.00 For children ages 10 and up.

20.00–21.00, 21.30–22.30 & 23.00–00.00 Adult performances.

00.30–01.30 For adults, in English.

Admission is free but tickets must be booked in advance via TicketCo. Part of the tickets are released a few days before the event and the remainder one hour before each performance.

14.30
Galaxies, Virtual Universes and Supercomputers Oscar Agertz
Discover how astronomers use some of the world's most powerful supercomputers to create virtual universes and better understand how galaxies such as the Milky Way were formed.

15.30
Capturing a Thought. Magnetism, MRI and Meditation Johan Mauritsson and Karin Markenroth Bloch
Can we see what someone is thinking? Can meditation be measured? How are we affected by LED lighting? This lecture explores these questions through MRI-based research and demonstrations.

16.00, 17.40 & 20.15
Nano Lab Tour
Introduction to nanoscience followed by a live tour of the cleanroom fabrication facilities. Places are limited.

16.30
The ESSnuSB Project. Can Neutrinos Explain the Matter–Antimatter Mystery? Peter Christiansen
An introduction to a proposed European experiment using the ESS accelerator to investigate one of physics' most fundamental questions. Why does matter exist at all?

16.50 & 21.05
Lab Tour. NanoLund – Exploring the Nano World
English-language introduction and guided lab tour of NanoLund. Capacity is limited.

17.30
About the Rainbow
Martin Magnusson
A clear and accessible explanation of how rainbows form, illustrated through photography, scientific history and demonstrations.

19.00
Physics Science Slam
Researchers from across the department compete to explain their work in entertaining five-minute presentations. The audience votes to determine the winner.

GALLERI MILHAMRE
Trädgårdsgatan 13

11.00–21.00
Colourful and Joyful Art in Nöden
Meet Lund-based artist and illustrator Mats Milhamre, who presents his vibrant paintings in a distinctive style. The exhibition includes many beloved scenes from Lund and other locations. If the weather permits, a café will also be open in the cosy garden.

GÅRDEN PÅ ÖSTERTULL
Entrance via Skolgatan 11–13

16.00
Welcome! Opening remarks by Anne Dederichs, Chair of Lokala Hyresgästföreningen Östertull.

16.15–16.45
Rental Housing in Sweden
Anne Dederichs presents an introduction to Sweden's system of rental housing.

16.45–17.15
Lunds Tagorekör
Performance by the choir together with Bubu Eklund.

17.15–17.45
The History of Novilla
Presented by Olle Hjortsberg on behalf of Hyresgästföreningen Östertull.

17.45–19.00
Biodiversity at Östertull
A guided walk around the courtyard area exploring local biodiversity.

GEOCENTRUM I
Helgonavägen 6

13.00–13.30
Tomography – Seeing the Invisible Emanuel Larsson
Learn how tomography creates three-dimensional images of hidden structures, from simple experiments using visible light to advanced research using X-rays and neutrons. Room. Världen.

13.30–14.00
Climate Benefits of Perennial Crops? Veronika Widengren
Modern food systems contribute significantly to global emissions. This lecture presents research on perennial wheat and its potential role in more climate-sustainable agriculture. Room. Världen.

14.30–15.00
Life on a Bog. Why Should We Protect Peatlands? Nils Cronberg
An introduction to how peatlands function and how they help capture and store carbon in the environment.

15.30–16.00
Two Short Lectures
The Physics Behind Biology at the Microscale

Erik Clarkson
How can physics help us understand biology at the cellular level? A brief theoretical introduction. Prediction of Early Breast Cancer Spread. Integrating Routine Clinical Data and AI

Daqu Zhang
Research on artificial intelligence tools that predict early cancer spread using routinely collected clinical data.

16.00–16.30
Probability Gymnastics and the Art of Being Safely Uncertain Ullrika Sahlin
A playful exploration of how experts and decision-makers communicate uncertainty and predictions about the future. Audience participation included.

16.30–17.00
Aircraft Design and Climate Forecasts. Flow Simulations Philipp Birken
How can computers simulate both the design of a Boeing 777 and the Earth's future climate? An introduction aimed at younger audiences.

17.00–17.30
We Love Swedish Nature – But Is It Actually Culture? Mats Rundgren
An exploration of the natural and human processes that have shaped today's landscapes and why a long-term perspective matters.

17.30–18.00
Space Rocks Rock – Unravelling Earth and Solar System Evolution Sanna Alwmark
Learn how meteorites and extraterrestrial material help scientists understand the earliest history of Earth and the origins of life.

18.00–18.30
Remote Sensing of Ecosystems Hakim Abdi
Discover how satellite imagery is used to monitor forests, biodiversity and ecosystem responses to climate change.

18.30–19.00
Harry Potter Mathematics Magnus Goffeng
An entertaining lecture about invisibility cloaks and the mathematics behind modelling invisibility. Suitable for younger audiences.

19.00–19.00
Climate, Disasters and Cultural Heritage: What Old Trees Can Teach Us
Tree rings provide records stretching back thousands of years and

offer insights into climate history, ecosystem changes and cultural heritage. With Johannes Edvardsson

19.30–20.00
The Hidden Plastic Legacy Underground: Why Our Grandchildren Will Pay
An examination of how microplastics and nanoplastics are entering waterways and creating long-term environmental consequences. With Sascha Müller

20.30–21.00
What's in the Air? Exploring Earth's Modern Atmosphere
An overview of the gases that make up Earth's atmosphere and their role in maintaining habitable conditions. With Tim Arnold

21.00–21.30
Thunderstorms
An introduction to the dynamics behind thunderstorms and why they are among the atmosphere's most powerful weather systems. Suitable for younger audiences. With Vaughan Phillips

21.30–22.00
Mass Extinctions!
A journey through Earth's five major mass extinction events and how fossils and rocks reveal their stories. Suitable for younger audiences. With Sylvain Richoz

22.00–22.30
What Trees Remember: Hidden Stories of Pollution and Volcanic Eruptions Through Time
Discover how tree rings preserve chemical records of environmental changes over centuries. With Maria Karamihalaki

22.00–22.30
Computer Models for Recreating Brain Cells
How simulations help researchers understand genes and develop specific types of neurons for future medical applications. With Alexander Degener

GEOCENTRUM II
Sölvegatan 12

12.00–22.00
Mensa Syd. Puzzles, Challenges, Cubes and Intelligence
Solve brainteasers, build puzzles, learn Rubik's Cube techniques and explore problem-solving activities for all ages.

14.00–19.00
Come Fossil Hunting with Geologists from Geocentrum!
Search for fossils that may be millions of years old. You might find the tooth of an ancient giant shark or another exciting specimen, and you get to keep what you find

15.00–16.30
Sustainability Board Game. Zero Waste Roadmap Game Jagdeep Singh
Learn about sustainability through a research-based board game featuring environmental challenges and collaborative problem-solving. Small-group participation.

HEMGÅRDEN
Killiansgatan 11

Open House with Live Music
Hemgården welcomes visitors for an evening featuring performances by young local bands. For the full programme, please see Hemgården's website and social media channels.

HISTORISKA MUSEET
Krafts torg 1

12.00–22.00
Experience Culture Night at Historiska Museet!
The museum is open all day with free admission and offers activities for both adults and children. The afternoon programme is particularly family-oriented, while the evening features more adult-focused content.

12.00–16.00
Historical Games
Try traditional games such as "Lugga Björn", "Dra Kavel" and "Rövkrok". Suitable for children of all ages, and adults too.

15.00
Lunds Kammarkör
Performance by Lund Chamber Choir.

16.00
Lunds Tekniska Högskolas Kör
Concert by the choir of Lund University Faculty of Engineering.

17.00–22.00
Late Opening
Museum staff will be present throughout the evening, offering ongoing guided presentations and opportunities to learn more about the museum's exhibitions and collections.

HIGHERSENSE HOT YOGA & PILATES LUND
Råbygatan 1C

17.00–17.45
Introduction to Meditation and Breathwork
Learn simple breathing and meditation techniques designed to help calm the mind and nervous system and support greater peace, joy and balance in everyday life. No yoga mat required, no change of clothes required. Book via website or app. 50 places available

18.30–19.30
Introduction to Dancing Meditation
A gentle and slow-paced class encouraging participants to reconnect with their bodies and awaken their Ki (energy). No previous dance experience is required. No yoga mat required, no change of clothes required. Book via website or app. 40 places available

JOLANS KERAMIK
Skolgatan 3a

18.00–21.00
Culture Night at Jolan's Ceramics Studio
Create your own clay bird whistle ("lergök") in approximately 20 minutes at cost price. A hands-on opportunity to try traditional ceramic craftsmanship.

JURIDICUM
Lilla Gråbrödersgatan 4

Theme of the Year: "Elections, Democracy and Influence. Legal and Political Perspectives"

The café is open from 13.00–19.00.

09.00–19.00
The Faculty of Law Library Open
Visitors interested in exploring this year's theme can receive recommendations for literature related to democracy, law and political participation.

13.15, 16.15 and 18.15
Ask a Student
Meet current law students and learn about studying law and student life.

13.15–16.00
The Museum of International Law
An exhibition exploring the development and significance of international law.

14.00–19.00
Faculty Tours
Guided tours of the Faculty of Law are offered throughout the afternoon in Swedish.
Tours in English. 14.00 and 16.00.

14.00 and 15.15
Mock Trial – Be a Judge for a Day
Led by Court of Appeal Judge Anette Ohlsson together with students from the law programme. Recommended primarily for ages 12–19.

15.15
How Do You Protect an Election from Disinformation? Human Rights and the Rule of Law in the Age of Hybrid Threats
This lecture examines the European disinformation landscape and discusses how democratic societies can defend elections against hybrid threats while upholding human rights and the rule of law.

17.15
Lecture. What Should Criminal Policy Focus On?
Recent parliamentary terms have brought major reforms to Sweden's penal system, and the government has described these changes as a paradigm shift in criminal policy. Join criminal law researchers Tova Bennet and Sverker Jönsson for a discussion about the future direction of criminal justice policy.

JÄGER & JANSSON
Stora Gråbrödersgatan 13

12.00–22.00
Paintings by Calle Gustafsson
Meet the artist and view an exhibition of his paintings. The exhibition opens with a preview vernissage on Friday, 18 September, 17.00–21.00.

KERAMIKFÖRENINGEN 1280
Järnåkravägen 9D (basement premises on the corner)

16.00–22.00
Exhibition and Hands-On Activities
Try wheel throwing or create your own ceramic candle (the candle can be taken home; a small charge for the clay applies). Visitors will also have a unique opportunity to view a collection of works created by members of Keramikföreningen 1280.

KLIGER GALLERY
Bantorget 4

16.00–22.00
Sofia Kockum – "Ten Scenes in Lund"
The exhibition portrays Lund through ten paintings inspired by both well-known landmarks and everyday settings. The works capture the character, atmosphere and moments of daily life found among the city's streets, buildings and squares.

Culture Talk Live Podcast
Live podcast recording featuring a guest interview.
Location: Dining hall.

19.00–20.00
Varité Funktionell
Performance in Fontänhusets Black Box.
Location: Magle 7.

19.15–20.00
Unexpected!
Stand-up comedy presented by the Lunds Fontänhus comedy crew.
Location: Dining hall.

20.30–21.30
Live Music with Lunds Fontänhus Bands
Expect an entertaining mix of salsa, pop, rock, blues and jazz.
Location: Dining hall.

LUNDS KONSTHALL
Mårtenstorget 3

12.00–22.00
Carla Zaccagnini – The Mahi-Mahi Effect
Lunds Konsthall presents the most extensive European solo exhibition to date by Malmö-based Argentine-Brazilian artist Carla Zaccagnini. The exhibition runs from 19 September to 29 November.

LUNDS IVF CENTER
Stortorget 1

11.00–13.00
Information About Fertility Treatment
Learn about infertility, fertility treatment and how approaches to childlessness have evolved over time and been reflected in culture and society.

LUX – FACULTY OF HUMANITIES AND THEOLOGY
Helgonavägen 3

LUX offers a broad programme of lectures, workshops, films, games, archaeology, robotics, language activities and cultural discussions. Many events are inspired by this year's theme of forests, culture and society.

15.00–15.20
Are There Christian Trees?
Speaker: Thomas Arentzen
Most of us appreciate trees for practical, aesthetic or emotional reasons. But do trees also have a place in religious thought? This lecture explores the unexpected relationship between Christianity and forests throughout church history.

15.00–15.20
Learn to Read and Understand Your Medical Record
Speaker: Anna Smålander
Since 2017, all Swedish residents have had digital access to their medical records through 1177. But how easy are those records to understand? This lecture explains common medical terminology and offers guidance for interpreting healthcare records.

15.00–18.00
Short Films on Religion in Contemporary Society
A series of short films examining socially relevant questions within religious studies. The films explore how religion appears in a variety of modern contexts, sometimes through unexpected themes and perspectives.

15.00–17.00
Workshop: The Forest as a Soundscape
An interactive workshop on sound production using the forest as a musical instrument. Participants will learn the process of creating sound art, from listening in nature to producing and publishing music. Duration. 2 hours. Target group. Ages 13–18. Participants should bring a smartphone. With Benjamin Mjönes and Elias Stenmark.

15.00–18.00
Open House in the Robotics Lab. The Robot Forest
Discover a robotic world for all ages. Activities include:
Guided tours with researchers, Robot demonstrations, Creating your own robotic creatures, Playing tic-tac-toe with EPI (ages 11+), Dancing with a robot

15.00–18.00
Robotics Lab Workshops
Three different workshops for visitors of all ages:
Build a paper gripper, draw or create your own animal-inspired robot. Some sessions require advance registration.

15.00–15.30
Play-by-Play: Video Games with Commentary!
While a video game is being played, researcher Björn Fritz comments on the events, places them in context and reflects on how game worlds function. Suitable both for people who enjoy watching games and for active gamers interested in cultural perspectives on gaming.

15.00–18.00
Lund Games Festival – Try Board Games
Representatives from Lund Games Festival introduce and explain a variety of board games and gaming experiences. Visitors of all ages are welcome to join.

15.00–18.00
Test Your Knowledge of Asia and Learn Origami
Meet representatives from the Centre for East and South-East Asian Studies. Learn about Asian Studies, participate in an origami activity and take part in a quiz. Staff will also be available to answer questions about courses and programmes.

15.00–18.00
The World of Archaeology: Explore, Ask and Learn with KNUT
Meet the archaeology student association KNUT.
Activities include. A journey through time, Viewing the university's flint collection, Discussions about studying archaeology, Activities for younger visitors

15.00–18.00
Which Medieval Woman Are You?
An Unusual Tarot Reading. Using a tarot deck inspired by historical research, Ebba Strutzenbladh explores roles and experiences from medieval society. Can connections be found between your life and the historical lives represented in the cards?

15.30–15.50
From Lebanese Cedars to Egyptian Mummies and Greek Temples
Ancient Lebanon was once covered with conifer forests whose timber and resin were highly valued throughout the Mediterranean world. Speaker. Fanni Faegersten. This lecture follows traces of these forests and their ecosystems through archaeological evidence.

15.30–15.50
The Comeback of the Scanian Dialect
The status of the Scanian dialect appears to have changed dramatically. This lecture explores how it has moved from being criticised to becoming celebrated and examines possible reasons behind that shift.
Speaker: Sanna Skärlund

15.30–16.00
Discussion: What Can Games Offer That Other Cultural Forms Cannot?
A panel discussion exploring atmosphere, collaborative creation, storytelling and play in games. Visitors will also have opportunities to try various forms of gaming after the discussion.

16.00–16.20
Beings (and Noises) in the Forest
The Forest Spirit and other supernatural beings were once seen as dangerous, yet forests also provided opportunities for survival. Drawing on materials from folklore archives, this lecture explores people's historical experiences of forests. Speaker. Karin Gustavsson

16.00–16.20
Communication: Understanding the Relationship Between Gesture and Speech
Human communication consists of many interconnected layers. Learn how gestures and speech interact to create meaning and understanding. Speaker. Maria Graziano

16.00–17.00
After Luca: Lover, Inventor, Vampire
A performance inspired by the poetry of Gherasim Luca, exploring migration, psychology and desire through movement, sound and poetry. With Cosmina Moroșan and Anticorp Solar.

16.30–16.50
Fritte and the Mechanisation of Forestry
Using the comic series Fritte from the 1950s and 1960s, this lecture discusses forestry mechanisation, rural depopulation and the introduction of transformative technologies such as the chainsaw. Speakers. Frits Gåvertsson and Jimmy Jönsson

16.30–16.50
The Forest Garden – A Work of Art and a Self-Renewing Pantry
Artists from Gylleboverket discuss their forest-garden project in Österlen, where food production and artistic creation are combined. Participants. Jona Elfdahl, Etta Säfve and Professor Max Liljefors.

17.00–17.20
The Forest of Plus Trees – Biotechnology in Forestry
Learn how twentieth-century botanists selected exceptional trees for cultivation and how this work transformed modern forestry. Speaker. Jimmy Jönsson

17.00–17.40
The Remarkable Forests of Children's Literature
An exploration of forests in children's and young adult literature, including urban fantasy and eco-horror. Themes include climate anxiety, rural depopulation and Nordic folklore. Speakers: Amanda Landegren and Julie Kolbeck

MAX IV
Fotongatan 2

12.00–02.00
Experience the Virtual Sculpture Reciproka Frön
Discover Reciproka Frön ("Reciprocal Seeds"), a virtual sculpture floating around MAX IV. The artwork was created by Jennifer Rainsford, MAX IV's Artist-in-Residence for 2026. Visitors can access the artwork via a QR code outside MAX IV, which links to instructions for viewing the sculpture through the Meadow augmented reality app on a mobile device.

MEJERIET
Stora Södergatan 64

17.00–23.00
Karaoke with a Live Band
Take the stage and perform karaoke accompanied by a live band made up of teachers from Mejeriet's Music School.
The format is simple: Choose a favourite song, Sign up on the list, Perform together with the band. A unique live-music karaoke experience suitable for all levels.

21.00–23.00
Helt Off
During Culture Night, Mejeriet celebrates Helt Off and more than twenty years of uncompromising energy, musical evolution and social engagement.
Over the years the group has developed into a ten-piece band renowned for its powerful live performances and regular appearances at clubs and festivals throughout Sweden. Tickets available via kulturmejeriet.se.

23.00–03.00
Culture Night Club at Mejeriet
Mejeriet's popular summer club Sommarstället concludes its season with a Culture Night celebration. Practical information: Open: 23:00–03:00. Age limit: 18+. Admission to the club is free for visitors holding a ticket to the Helt Off concert

MÅRTENSTORGET
(In collaboration with ABF)

12.00–12.25
Children's Rave!
Dance together with Niklas Ström, who creates energetic electronic music using colourful gadgets and encourages children and adults alike to move and bounce along to the beat. A joyful family experience and the perfect warm-up before Pappa Kapsyl.

12.30–13.15
Pappa Kapsyl
A family favourite returns with a cavalcade of popular dinosaur songs. The show combines Rock-inspired dinosaur anthems, audience participation, sing-alongs, playful interaction. After the performance, visitors can meet Pappa Kapsyl, receive an autograph and take photos. Recommended age: 3+

13.30–13.50
Concert with Kulturskolan
Performance by students from Kulturskolan.

14.05–14.25
Concert with Kulturskolan
Another live performance showcasing young musicians.

15.00–15.40
Bands from Lerbäcksskolan's Music Programme
As part of a long-standing Culture Night tradition, students present a selection of music developed during the school year.

16.00–16.20
X-why
A five-member band passionate about playing cover songs of all kinds. As they jokingly admit, original compositions may still be in the future, but one day they expect to create a symphony so magnificent that everyone will bow before them.

16.35–16.55
Ricky Dicky and the Heartbreaker
Live concert presented by young musicians from Ung i Lund.

17:15–17:45
VELA!
An indie-rock band performing music written straight from the heart. Drawing inspiration from: Soul, Jaz, The Swedish indie scene their music explores both the highs and lows of human experience.

18.15–18.45
Strandkillarna
A nine-member Beach Boys tribute band featuring: Five vocalists, Two guitars, Bass, Piano, Drums. A celebration of classic surf-pop harmonies.

19.25–19.55
From Participant to DJ Mentor: YxNess
Vanessa, known artistically as YxNess, began her journey at LT21 as a participant in workshops and later developed her own passion for DJing. Today she works as a mentor at LT21, encouraging young people to explore creativity and develop their own artistic paths. This set serves as a warm-up before Medina takes the stage.

20.00–20.45
Medina
For more than two decades, Medina has been one of Sweden's most beloved musical acts, bringing people together through energetic performances and uplifting music. Since reuniting in 2022, the group has achieved major success in Melodifestivalen and topped Swedish charts with songs including Que Será. Their message is simple: Medina is for everyone. No matter who you are or where you come from, when Medina is on stage, we are all one.

21.00–23.00
Dance Showcase
Two hours of performances by dance talents, crews and dance schools showcasing routines they have developed throughout the year. Project leader and host: Mikaela Olsson, New York Dance.

NISSES NÖTT OCH NYTT
Bytaregatan 18

18.00–18.45
Sammetsbarn
Visit the shop Nisses Nött och Nytt and enjoy a live performance by Sammetsbarn, featuring two guitars and two beautiful voices in an intimate concert setting.

NÖDEN

15.00–16.30
Historical Walk Through Nöden
Join a cultural and historical guided walk through one of Lund's most fascinating neighbourhoods.
The walk explores how Nöden developed socially, culturally and architecturally over time. Price: SEK 100 (Swish or cash on site)
Meeting Point: 15:00 outside Wermlands Nation, Stora Tvärgatan 13.
End Point: Galleri Milhamre.

OBERG PHOTOGRAPHICS
Vegagatan 25

14.00–23.00

Contrasts of China – Photographs by Jan Oberg
Shen'ao moves at a slow pace among ancient stone streets and a population of 1,500, while Chongqing rises in steel and neon with more than 32 million inhabitants. Through documentary and artistic photography, Jan Oberg contrasts village life and megacity development, presenting two worlds that reveal China's diversity, transformation and striking contrasts.

PALAESTRA ET ODEUM
Paradisgatan 4

16.00–16.30
Try Conducting an Orchestra
Come to Odeum and test your leadership skills in front of Akademiska Kapellets string orchestra. To guide you through the experience, Lund University's Director Musices Patrik Andersson will be by your side.

17.30–18.00
What Does an Orchestral Conductor Actually Do?
What is the conductor really doing while standing in front of an orchestra? Director Musices Patrik Andersson offers insight into the skills, knowledge and responsibilities involved in leading musicians and shaping orchestral performances.

19.00–19.45
Horn, Horn, Horn…
The horn section plays a unique role in the modern symphony orchestra, bridging the powerful brass section and the often contrasting sounds of the woodwinds. Note. Events at Odeum often fill up quickly. Arrive early.

PINGSTKYRKAN
Stora Södergatan 25

21.00–22.00
b-tolv
Join soul and gospel band b-tolv, whose motto is. "Gospel, groove & good company". Expect an energetic concert full of rhythm and audience participation. Arrive early, as the venue often reaches capacity quickly.

PUFENDORFINSTITUTET
Biskopsgatan 3

12.00–12.45
Old Fysicum – Exhibition Opening
The building that now houses Pufendorfinstitutet was originally constructed in 1886 as the home of Lund University's Department of Physics. During Culture Night, a new exhibition on early physics research at Lund University is officially inaugurated.

Speakers include:
Johan Mauritsson, Professor of Atomic Physics
